

Area Committee Quarterly Report Form

Revised 12/17

Name: Mary Thomas
Position: Interim Area Web Chair
District number: 12
Date: March 28, 2020

Experiences from the past quarter. [Experiences from your district or committee you are proud of or that were particularly inspirational to you.]

The web committee met in January at GSIG and had attendance both in person and via phone. It was a collective discussion over where the committee was at and where we would like to go. Over the course of this past quarter there have been many changes for the districts with the COVID-19 and the closure of meetings halls, churches, meetings and quarterlies. Many of them have moved to online forums like Zoom. I have been able to assist the area webmaster in keeping the information that we have as accurate as possible.

Strengths from the past quarter. [What new strengths did your district/committee discover in the past quarter? This could be a unique solution to a problem, or the unity of the groups in your district]

The strength and unity that I find has been in the rallying around making sure that the newcomers can find meetings online, can get the help that they need and that we are able to continue to serve our members as we move through the trying times ahead.

The unique problem we all face has been also moving our area meetings to an online forum through zoom (and other solutions) and helping others to navigate this same process.

Your Hope for the future in your district/committee. [This could be goals, personal achievements, hopes for the Area, etc.]

My hope for all of us as we move through this uncharted territory is that we continue to work together to find solutions both as individuals, districts, committees and an area and realize that together we can do what we could never do alone.
